

## List of Trend Tables

### Health Status and Determinants

#### Population

1. **Resident population**, according to age, sex, race, and Hispanic origin: United States, selected years 1950–2000 ..... 79
2. Persons and families below **poverty** level, according to selected characteristics, race, and Hispanic origin: United States, selected years 1973–2000 ..... 81

#### Fertility and Natality

3. Crude birth rates, **fertility rates**, and **birth rates** by age of mother, according to race and Hispanic origin: United States, selected years 1950–2000 ..... 83
4. **Women** 15–44 years of age **who have not had at least 1 live birth**, by age: United States, selected years 1960–2001 ..... 85
5. **Live births**, according to detailed race and Hispanic origin of mother: United States, selected years 1970–2000 ..... 86
6. **Prenatal care** for live births, according to detailed race and Hispanic origin of mother: United States, selected years 1970–2000 ..... 87
7. **Early prenatal care** according to race and Hispanic origin of mother, geographic division, and State: United States, average annual 1992–94, 1995–97, and 1998–2000 ..... 88
8. **Teenage childbearing**, according to detailed race and Hispanic origin of mother: United States, selected years 1970–2000 ..... 90
9. **Nonmarital childbearing** according to detailed race and Hispanic origin of mother, and maternal age and birth rates for unmarried women by race and Hispanic origin of mother: United States, selected years 1970–2000 ..... 91
10. **Maternal education** for live births, according to detailed race and Hispanic origin of mother: United States, selected years 1970–2000 ..... 92
11. **Mothers who smoked cigarettes** during pregnancy, according to mother's detailed race, Hispanic origin, age, and education: Selected States, 1989–2000 ..... 93
12. **Low-birthweight** live births, according to mother's detailed race, Hispanic origin, and smoking status: United States, selected years 1970–2000 ..... 94
13. **Low-birthweight** live births among mothers 20 years of age and over, by mother's detailed race, Hispanic origin, and education: United States, 1989–2000 ..... 95

14. **Low-birthweight** live births, according to race and Hispanic origin of mother, geographic division, and State: United States, average annual 1992–94, 1995–97, and 1998–2000 ..... 96
15. **Very low-birthweight** live births, according to race and Hispanic origin of mother, geographic division, and State: United States, average annual 1992–94, 1995–97, and 1998–2000 ..... 98
16. Legal **abortion ratios**, according to selected patient characteristics: United States, selected years 1973–98 .... 100
17. Legal **abortions**, according to selected characteristics: United States, selected years 1973–98 ..... 101
18. **Contraceptive use** among women 15–44 years of age, according to age, race, Hispanic origin, and method of contraception: United States, 1982, 1988, and 1995 ..... 102
19. **Breastfeeding** by mothers 15–44 years of age by year of baby's birth, according to selected characteristics of mother: United States, average annual 1972–74 to 1993–94 ..... 104

#### Mortality

20. **Infant, neonatal, and postneonatal mortality rates**, according to detailed race and Hispanic origin of mother: United States, selected years 1983–99 ..... 105
21. **Infant mortality rates** for mothers 20 years of age and over, according to mother's education, detailed race, and Hispanic origin: United States, selected years 1983–99 .... 107
22. **Infant mortality rates** according to birthweight: United States, selected years 1983–99 ..... 108
23. **Infant mortality rates**, fetal mortality rates, and perinatal mortality rates, according to race: United States, selected years 1950–99 ..... 109
24. **Infant mortality rates**, according to race, Hispanic origin, geographic division, and State: United States, average annual 1989–91 and 1997–99 ..... 110
25. **Neonatal mortality rates**, according to race, Hispanic origin, geographic division, and State: United States, average annual 1989–91 and 1997–99 ..... 112
26. **Infant mortality rates** and international rankings: Selected countries, selected years 1960–98 ..... 114
27. **Life expectancy** at birth and at 65 years of age, according to sex: Selected countries, 1992 and 1997 .... 115
28. **Life expectancy** at birth, at 65 years of age, and at 75 years of age, according to race and sex: United States, selected years 1900–99 ..... 116
29. **Age-adjusted death rates**, according to race, Hispanic origin, geographic division, and State: United States, average annual 1979–81, 1989–91, and 1997–99 ..... 117
30. **Age-adjusted death rates** for selected causes of death, according to sex, race, and Hispanic origin: United States, selected years 1950–99 ..... 119

31. <b>Years of potential life lost</b> before age 75 for selected causes of death, according to sex, race, and Hispanic origin: United States, selected years 1980–99 .....	123	48. Death rates for <b>firearm-related injuries</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1970–99 .....	172
32. <b>Leading causes of death</b> and numbers of deaths, according to sex, race, and Hispanic origin: United States, 1980 and 1999 .....	127	49. Deaths from selected <b>occupational diseases</b> for persons 15 years of age and over: United States, selected years 1980–99 .....	175
33. <b>Leading causes of death</b> and numbers of deaths, according to age: United States, 1980 and 1999 .....	131	50. <b>Occupational injury</b> deaths and rates by industry, sex, age, race, and Hispanic origin: United States, 1992–2000 .....	176
34. Age-adjusted death rates, according to race, sex, region, and <b>urbanization</b> level: United States, average annual 1984–86, 1989–91, and 1997–99 .....	133	<b>Determinants and Measures of Health</b>	
35. Age-adjusted death rates for persons 25–64 years of age for selected causes of death, according to sex and <b>educational attainment</b> : Selected States, 1994–99 .....	136	51. <b>Occupational injuries</b> with lost workdays in the private sector, according to industry: United States, selected years 1980–2000 .....	178
36. <b>Death rates</b> for all causes, according to sex, race, Hispanic origin, and age: United States, selected years 1950–99 .....	137	52. Healthy People 2010 <b>Leading Health Indicators</b> with 22 measures: United States, 1990–2000 and 2010 target ..	179
37. Death rates for <b>diseases of heart</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–99 .....	141	53. Selected <b>notifiable disease rates</b> , according to disease: United States, selected years 1950–2000 .....	181
38. Death rates for <b>cerebrovascular diseases</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–99 .....	144	54. Acquired immunodeficiency syndrome ( <b>AIDS</b> ) cases, according to age at diagnosis, sex, detailed race, and Hispanic origin: United States, selected years 1985–2001 .....	182
39. Death rates for <b>malignant neoplasms</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–99 .....	147	55. Acquired immunodeficiency syndrome ( <b>AIDS</b> ) cases, according to race, Hispanic origin, sex, and transmission category for persons 13 years of age and over at diagnosis: United States, selected years 1985–2001 .....	183
40. Death rates for <b>malignant neoplasms of trachea, bronchus, and lung</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–99 ...	151	56. Age-adjusted <b>cancer incidence rates</b> for selected cancer sites, according to sex, race, and Hispanic origin: Selected geographic areas, 1990–98 .....	185
41. Death rates for <b>malignant neoplasm of breast</b> for females, according to race, Hispanic origin, and age: United States, selected years 1950–99 .....	154	57. Five-year relative <b>cancer survival rates</b> for selected cancer sites, according to race and sex: Selected geographic areas, 1974–79, 1980–82, 1983–85, 1986–88, and 1989–97 .....	188
42. Death rates for <b>chronic lower respiratory diseases</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1980–99 .....	156	58. <b>Limitation of activity</b> caused by chronic conditions, according to selected characteristics: United States, selected years 1997–2000 .....	189
43. Death rates for <b>human immunodeficiency virus (HIV) disease</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1987–99 .....	159	59. <b>Respondent-assessed health status</b> according to selected characteristics: United States, selected years 1991–2000 .....	192
44. <b>Maternal mortality</b> for complications of pregnancy, childbirth, and the puerperium, according to race, Hispanic origin, and age: United States, selected years 1950–99 ...	161	60. <b>Suicidal ideation, suicide attempts, and injurious suicide attempts</b> among students in grades 9–12, by sex, grade level, race, and Hispanic origin: United States, selected years 1991–2001 .....	194
45. Death rates for <b>motor vehicle-related injuries</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–99 .....	162	61. Current <b>cigarette smoking</b> by persons 18 years of age and over according to sex, race, and age: United States, selected years 1965–2000 .....	196
46. Death rates for <b>homicide</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–99 .....	166	62. Age-adjusted prevalence of current <b>cigarette smoking</b> by persons 25 years of age and over, according to sex, race, and education: United States, selected years 1974–2000 .....	198
47. Death rates for <b>suicide</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–99 .....	169		

63. Current <b>cigarette smoking</b> by adults according to sex, race, Hispanic origin, age, and education: United States, average annual 1990–92, 1993–95, and 1999–2000 .....	199
64. <b>Use of selected substances</b> in the past month by persons 12 years of age and over, according to age, sex, race, and Hispanic origin: United States, 1999–2000 .....	201
65. <b>Use of selected substances</b> by high school seniors and eighth-graders, according to sex and race: United States, selected years 1980–2001 .....	203
66. <b>Cocaine-related emergency department episodes</b> , according to age, sex, race, and Hispanic origin: United States, selected years 1990–2000 .....	205
67. <b>Alcohol consumption</b> by persons 18 years of age and over, according to sex, age, race, and Hispanic origin: United States, selected years 1997–2000 .....	207
68. <b>Hypertension</b> among persons 20 years of age and over, according to sex, age, race, and Hispanic origin: United States, 1960–62, 1971–74, 1976–80, and 1988–94 .....	210
69. <b>Serum cholesterol levels</b> among persons 20 years of age and over, according to sex, age, race, and Hispanic origin: United States, 1960–62, 1971–74, 1976–80, and 1988–94 .....	211
70. <b>Healthy weight, overweight, and obesity</b> among persons 20 years of age and over, according to sex, age, race, and Hispanic origin: United States, 1960–62, 1971–74, 1976–80, and 1988–94 .....	213
71. <b>Overweight children</b> and adolescents 6–19 years of age, according to sex, age, race, and Hispanic origin: United States, selected years 1963–65 through 1988–94 .....	215

## Utilization of Health Resources

### Ambulatory Care

72. <b>Health care visits</b> to doctor's offices, emergency departments, and home visits within the past 12 months, according to selected characteristics: United States, selected years 1997–2000 .....	217
73. <b>Vaccinations</b> of children 19–35 months of age for selected diseases, according to race, Hispanic origin, poverty status, and residence in metropolitan statistical area (MSA): United States, 1995–2000 .....	220
74. <b>Vaccination</b> coverage among children 19–35 months of age according to geographic division, State, and selected urban areas: United States, 1995–2000 .....	222
75. <b>No health care visits</b> to an office or clinic within the past 12 months among children under 18 years of age, according to selected characteristics: United States, average annual 1997–98 and 1999–2000 .....	224

76. <b>No usual source of health care</b> among children under 18 years of age, according to selected characteristics: United States, average annual 1993–94, 1997–98, and 1999–2000 .....	226
77. <b>Emergency department visits</b> within the past 12 months among children under 18 years of age, according to selected characteristics: United States, selected years 1997–2000 .....	228
78. <b>No usual source of health care</b> among adults 18–64 years of age, according to selected characteristics: United States, average annual 1993–94, 1995–96, 1997–98, and 1999–2000 .....	231
79. <b>Emergency department visits</b> within the past 12 months among adults 18 years of age and over, according to selected characteristics: United States, selected years 1997–2000 .....	233
80. <b>Dental visits</b> in the past year according to selected characteristics: United States, selected years 1997–2000 ..	235
81. <b>Untreated dental caries</b> according to age, sex, race and Hispanic origin, and poverty status: United States, 1971–74, 1982–84, and 1988–94 .....	237
82. Use of <b>mammography</b> for women 40 years of age and over according to selected characteristics: United States, selected years 1987–2000 .....	238
83. <b>Ambulatory care visits</b> to physician offices and hospital outpatient and emergency departments by selected characteristics: United States, selected years 1995–2000 .....	240
84. <b>Injury-related visits</b> to hospital emergency departments by sex, age, and intent and mechanism of injury: United States, average annual 1995–96, 1997–98, and 1999–2000 .....	242
85. <b>Ambulatory care visits</b> to primary care and specialist physicians, according to selected characteristics and type of physician: United States, 1980, 1990, and 2000 .....	244
86. <b>Substance abuse clients</b> in specialty treatment units according to substance abused, geographic division, and State: United States, 1997–2000 .....	246
87. <b>Additions to mental health organizations</b> according to type of service and organization: United States, selected years 1986–98 .....	247
88. <b>Home health care patients</b> , according to age, sex, and diagnosis: United States, selected years 1992–2000 .....	248
89. <b>Hospice patients</b> , according to age, sex, and diagnosis: United States, selected years 1992–2000 .....	249

### Inpatient Care

90. <b>Discharges</b> , days of care, and average length of stay in short-stay hospitals, according to selected characteristics: United States, selected years 1997–2000 .....	250
91. <b>Discharges</b> , days of care, and average length of stay in non-Federal short-stay hospitals, according to selected characteristics: United States, selected years 1980–2000 .....	253

92. <b>Discharges</b> , days of care, and average length of stay in non-Federal short-stay hospitals for discharges with the diagnosis of human immunodeficiency virus (HIV) and for all discharges: United States, selected years 1986–2000 . . . .	255
93. <b>Rates of discharges</b> and days of care in non-Federal short-stay hospitals, according to sex, age, and selected first-listed diagnoses: United States, selected years 1990–2000 . . . . .	256
94. <b>Discharges</b> and average length of stay in non-Federal short-stay hospitals, according to sex, age, and selected first-listed diagnoses: United States, selected years 1990–2000 . . . . .	259
95. <b>Ambulatory and inpatient procedures</b> according to place, sex, age, and type of procedure: United States, selected years 1994–2000 . . . . .	262
96. <b>Hospital admissions</b> , average length of stay, and outpatient visits, according to type of ownership and size of hospital, and percent outpatient surgery: United States, selected years 1975–2000 . . . . .	265
97. <b>Nursing home residents</b> 65 years of age and over, according to age, sex, and race: United States, 1973–74, 1985, 1995, and 1999 . . . . .	266
98. <b>Nursing home residents</b> 65 years of age and over, according to selected functional status and age, sex, and race: United States, 1985, 1995, and 1999 . . . . .	267

## Health Care Resources

### Personnel

99. <b>Persons employed</b> in health service sites: United States, selected years 1970–2001 . . . . .	269
100. Active non-Federal <b>physicians</b> and doctors of medicine in patient care, according to geographic division and State: United States, 1975, 1985, 1995, and 2000 . . .	270
101. <b>Physicians</b> , according to activity and place of medical education: United States and outlying U.S. areas, selected years 1975–2000 . . . . .	272
102. <b>Primary care doctors of medicine</b> , according to specialty: United States and outlying U.S. areas, selected years 1949–2000 . . . . .	273
103. Active <b>health personnel</b> according to occupation: United States, selected years 1980–2000 . . . . .	274
104. First-year enrollment and graduates of <b>health professions schools</b> and number of schools, according to profession: United States, selected years 1980–2000 . . . .	275
105. <b>Total enrollment of minorities</b> in schools for selected health occupations, according to detailed race and Hispanic origin: United States, academic years 1970–71, 1980–81, 1990–91, and 1999–2000 . . . . .	276

106. First-year and total <b>enrollment of women</b> in schools for selected health occupations, according to detailed race and Hispanic origin: United States, academic years 1971–72, 1980–81, 1990–91, and 1999–2000 . . . . .	278
---	-----

### Facilities

107. <b>Hospitals</b> , beds, and occupancy rates, according to type of ownership and size of hospital: United States, selected years 1975–2000 . . . . .	279
108. <b>Mental health organizations</b> and beds for 24-hour hospital and residential treatment according to type of organization: United States, selected years 1986–98 . . . . .	280
109. <b>Community hospital beds</b> and average annual percent change, according to geographic division and State: United States, selected years 1940–2000 . . . . .	281
110. <b>Occupancy rates</b> in community hospitals and average annual percent change, according to geographic division and State: United States, selected years 1940–2000 . . . . .	283
111. <b>Nursing homes</b> , beds, occupancy, and residents, according to geographic division and State: United States, 1995–2000 . . . . .	284

## Health Care Expenditures and Health Insurance

### National Health Expenditures

112. <b>Total health expenditures</b> as a percent of gross domestic product and per capita health expenditures in dollars: Selected countries and years 1960–99 . . . . .	287
113. Gross domestic product, Federal and State and local government expenditures, <b>national health expenditures</b> , and average annual percent change: United States, selected years 1960–2000 . . . . .	288
114. <b>Consumer Price Index</b> and average annual percent change for all items, selected items, and medical care components: United States, selected years 1960–2001 . . .	289
115. Growth in <b>personal health care expenditures</b> and percent distribution of factors affecting growth: United States, 1960–2000 . . . . .	290
116. <b>National health expenditures</b> , average annual percent change, and percent distribution, according to type of expenditure: United States, selected years 1960–2000 . . .	291
117. <b>Personal health care expenditures</b> , according to type of expenditure and source of funds: United States, selected years 1960–2000 . . . . .	293
118. <b>Expenditures and sources of payment for health care</b> according to selected characteristics: United States, 1987, 1997, and 1998 . . . . .	295

119. <b>Expenditures for health services</b> and supplies and percent distribution, by type of payer: United States, selected calendar years 1987–2000 .....	298
120. <b>Employers' costs</b> per employee-hour worked for total compensation, wages and salaries, and <b>health insurance</b> , according to selected characteristics: United States, selected years 1991–2001 .....	300
121. <b>Hospital expenses</b> , according to type of ownership and size of hospital: United States, selected years 1975–2000 .....	301
122. <b>Nursing home average monthly charges</b> per resident and percent of residents, according to selected facility and resident characteristics: United States, 1977, 1985, 1995, 1997, and 1999 .....	302
123. <b>Nursing home average monthly charges</b> per resident and percent of residents, according to primary source of payments and selected facility characteristics: United States, 1985, 1995, and 1999 .....	303
124. <b>Mental health expenditures</b> , percent distribution, and per capita expenditures, according to type of mental health organization: United States, selected years 1975–94 .....	304
125. <b>Funding for health research</b> and development, according to source of funds: United States, selected fiscal years 1970–99 .....	305
126. <b>Federal spending</b> for human immunodeficiency virus (HIV)-related activities, according to agency and type of activity: United States, selected fiscal years 1985–2001 .....	306

## Health Care Coverage and Major Federal Programs

127. <b>Private health insurance</b> coverage among persons under 65 years of age, according to selected characteristics: United States, selected years 1984–2000 .....	307
128. <b>Medicaid coverage</b> among persons under 65 years of age, according to selected characteristics: United States, selected years 1984–2000 .....	310
129. <b>No health care coverage</b> among persons under 65 years of age, according to selected characteristics: United States, selected years 1984–2000 .....	312
130. <b>Health care coverage</b> for persons 65 years of age and over, according to type of coverage and selected characteristics: United States, selected years 1989–99 .....	314
131. <b>Health maintenance organization (HMO)</b> coverage by private insurance, Medicaid, and Medicare according to selected characteristics: United States, 1998, 1999, and 2000 .....	317
132. <b>Health maintenance organizations (HMOs)</b> and enrollment, according to model type, geographic region, and Federal program: United States, selected years 1976–2001 .....	319

133. <b>Medical care benefits</b> for employees of private establishments by size of establishment and occupation: United States, selected years 1990–97 .....	320
134. <b>Medicare</b> enrollees and expenditures and percent distribution, according to type of service: United States and other areas, selected years 1970–2000 .....	322
135. <b>Medicare</b> enrollees and program payments among fee-for-service Medicare beneficiaries, according to sex and age: United States and other areas, 1994–99 .....	324
136. <b>Medicare</b> beneficiaries by race and ethnicity, according to selected characteristics: United States, selected years 1992–98 .....	325
137. <b>Medicaid</b> recipients and medical vendor payments, according to basis of eligibility, and race and ethnicity: United States, selected fiscal years 1972–98 .....	327
138. <b>Medicaid</b> recipients and medical vendor payments, according to type of service: United States, selected fiscal years 1972–98 .....	328
139. <b>Department of Veterans Affairs</b> health care expenditures and use, and persons treated according to selected characteristics: United States, selected fiscal years 1970–99 .....	330

## State Health Expenditures and Health Insurance

140. <b>Personal health care per capita expenditures</b> , by type of service, geographic division, and State: United States, selected years 1991–98 .....	331
141. <b>Medicare</b> expenditures as a percent of total personal health care expenditures by geographic division and State: United States, 1991–98 .....	337
142. <b>Medicaid</b> expenditures as a percent of total personal health care expenditures by geographic division and State: United States, 1991–98 .....	338
143. State mental health agency per capita <b>expenditures for mental health services</b> and average annual percent change by geographic division and State: United States, selected fiscal years 1981–97 .....	339
144. <b>Medicare</b> enrollees, enrollees in managed care, payments per enrollee, and short-stay hospital utilization by geographic division and State: United States, 1994 and 1999 .....	340
145. <b>Medicaid</b> recipients, recipients in managed care, payments per recipient, and recipients per 100 persons below the poverty level by geographic division and State: United States, selected fiscal years 1989–98 .....	341
146. Persons enrolled in <b>health maintenance organizations (HMOs)</b> by geographic division and State: United States, selected years 1980–2001 .....	343
147. <b>Persons under 65 years of age without health care coverage</b> by State: United States, selected years 1987–2000 .....	344
